Spring/Summer 2017

A MESSAGE FROM MAYOR RALPH A. SCORDINO

Happy Spring to all! It's a relief to have the worse of the weather behind us and the best ahead of us. Once again, our Babylon Village maintenance, sanitation and DPW crews worked throughout the winter ensuring our roadways, sidewalks and municipal parking lots were as safe and accessible as possible. Kudos for their diligence and effort. The welcome sights of spring and summer are everywhere. The E. Donald Conroy Golf Course is in excellent condition and open for play and the Village Pool is in better shape than ever, opening for the season on **June 24th**.

Our annual *Little League Parade* kicked off baseball season on April 22nd. Our playing fields are in terrific shape, thanks to the combined efforts of Skip Gardner, our Village Highway Crew and many dedicated volunteers. Thanks also to our little league volunteers for laying down the clay and sod. Stroll down one afternoon and catch some of the action. It's quintessential small-town living at its best.

April 22nd also saw the Village celebrate Earth Day, with cleanups occurring at several sites that help improve our local waterways. Volunteers collected over 100 bags of garbage, 40 tires and assorted metal debris.

Ongoing improvement projects continue throughout our Village, with more scheduled to start shortly. Skip Gardner and his crew have been rebuilding drains on many Village roadways and drainage improvements and paving on Locust Avenue from Route 109 to Livingston Avenue are on the calendar. In addition, new Smart Sponge boxes continue to be installed throughout the Village to aid pre-treatment of rain water. Road and drainage projects are not the only way Babylon Village undergoes improvement. The Babylon Village Fire Department has just added a new ambulance to its fleet of rescue vehicles, all with an eye toward making our Village as safe and secure as possible for all residents.

Our Village is one of Long Island's most picturesque and I urge all our residents to enjoy its beauty and many activities. We've worked hard through the years to create a pedestrian-friendly, safe and walkable community for residents and visitors. Take a stroll through our vibrant downtown, visit the Sunday *Farmer's Market* beginning **June 4th**, shop locally and enjoy the numerous entertainment and recreation opportunities Babylon offers. The upcoming 12th Annual *Dirty Sock Run* sponsored by our local Rotary Club will take place on **August 13th** along the greenway from Park Avenue through Southards Pond to Belmont State Park. The Rotary and Hapi Auer hope to exceed last year's number of participants as proceeds benefit our Village food pantries.

Babylon Village has just had its 4th migration of Alewives since 1889. The Alewife is a fish of integral importance to the Great South Bay's delicate ecosystem. We are working to live stream the cameras that have been placed at the Alewife ladder (just west of the waterfall at Argyle Lake) so that students and other interested Suffolk County viewers can witness the migration of the Alewives. This migration is another exciting sign that many of the Village's environmental protection programs are succeeding and thriving.

On behalf of the Village Trustees - Kevin Muldowney, Anthony Davida, Deborah Basile and Mary Adams - I send good wishes for health, happiness and humor to all. Let us know of any concerns you may have regarding the Village. Your comments are always appreciated and your ideas always taken under consideration. We will continue to work tirelessly to ensure Babylon Village is the best it can be.

VILLAGE POOL OPENS JUNE 24 Swim Lesson Sign-up Starts May 13

Trustee Tony Davida is pleased to report that our wonderful Gilbert C. Hanse Village Pool will open for the summer on **June 24** and remain open daily through Labor Day, offering its usual array of programs. Pre-registration for swimming lessons and pool passes begins **May 13** (see registration form on page 5). Family memberships are \$100 and season passes will list each family member residing at the same address. Individual memberships remain at \$50 for adults, \$30 for children, and \$15 for senior citizens (age 62+). Two proofs of residency are required for all passes (drivers license, utility bill). Note: Early Morning Swim will be available only to Babylon Village residents with a special Sunrise Pass for an additional \$30.

CONKLIN HOUSE NEWS...

Trustee Debbie Basile reports that several cultural and educational events were offered at the Conklin House during the winter months including their annual *Christmas at the Conklin House*, *Annual Cookie Contest* and *Picture Perfect Christmas*.

Dinner for Eight was held on Saturday, March 25th and the lucky winner was Linda Burke, who invited seven of her family and friends. They enjoyed appetizers in the Victorian Parlor and a four-course dinner in the Gathering Room consisting of salad, braised short ribs, noodles and dessert. Raffle winners were Anita Vultaggio, who won the Babylon Village Dine Around and Donna Consola, winner of the wine and wine rack.

The annual *Afternoon Tea* was held on Sunday, April 30th, and once again this popular event sold out. Attendees enjoyed savory and sweet treats all prepared by members of the Conklin House Steering Committee a.k.a Conklin Caterers, as well as a variety of specialty teas.

You Gotta Have Art, a one-person art exhibit featuring local artist Tim Irwin is scheduled for **Friday, May 19th** from 7pm-9pm with an artist's reception the same evening. The exhibit is also open on **Saturday, May 20th** and **Sunday, May 21st** from noon until 3pm. All are welcome.

Be on the lookout for a new Conklin House event, a casual summer celebration on the Conklin House lawn. Plans are still in the works and a date will be announced shortly.

The Conklin House is often undergoing repair work. Recently, a new cedar shingle roof was installed, helping to preserve this important historic village landmark.

Information on Conklin House events, including the *Annual Apple & Arts Festival* will be available in The Beacon as details are finalized. The Apple & Arts committee is accepting donations of jeans and shirts (men, women and children) for scarecrow making. When spring cleaning, please consider donating whatever you are throwing out by contacting the Conklin House at [631-669-8164](tel:631-669-8164). If you would like to be added to our "Events Alert" mailing list to get information on all upcoming Conklin House events, please send a request via email to conklin-house@yahoo.com or call [631-669-8164](tel:631-669-8164).

PARKS AND PLANTINGS

With the warmer weather on its way, Trustee Mary Adams reports the greenhouse is in "full bloom," with plenty of flowers and plantings scheduled to be installed and enjoyed throughout our Village.

In anticipation of our 2017 spring/summer season, parks throughout the Village have been painted and spruced up, lampposts and plant hangers have been painted and our 9/11 Memorial Garden and the gardens around Argyle Lake and Village docks are being updated. It's a tough job!

Special thanks to our Greenhouse Crew for all their hard work during the year. Their efforts and enthusiasm helps keep Babylon Village a beautiful place to live and visit.

NEW OFFICERS FOR FIRE DEPARTMENT

The Babylon Fire Department held its annual election for officers during the Spring. The Installation Ceremony at Village Hall was held April 11th.

With the latest communication technology at our fingertips, we will be able to have information delivered instantaneously to our residents. This new communication format will be in addition to our seasonal newsletters and web page.

Trustee Kevin Muldowney reports that the E. Donald Conroy Golf Course at Sumpwams Creek opened for the 2017 season on March 30th with an anxious group of golfers eager to start their season. After a tough, wet winter, greens keeper Tom Steffan has brought the course back to great shape.

Last year was very successful, with more people realizing that Sumpwams Creek is a great place to work on your short game or launch your golfing career. It's also an excellent venue for small group outings for businesses and organizations.

This unique golf course has holes ranging from 100 yards to 185 yards, five elevated greens and a pond which comes into play on several holes. In addition, the course is now used by as many as five area schools for practice sessions and Junior Varsity matches. This year, the course will once again host the Junior PGA's Metropolitan Group's annual junior tournament in June, when youngsters from all over the New York metropolitan area compete.

The women's league begins their 17th season this year while the men's league starts its 14th season. The leagues continue to thrive, with both groups growing in membership and adding various outings and tournaments to their schedules. Anyone interested in joining either league can contact the golf course.

Mike Reilly, our local pro will be back for his fourth year and will be providing lessons and clinics during the course of the year. He will also be holding his summer junior clinic. Come by the course and pick up the latest information on all Mike's programs.

Gift certificates are available and make wonderful Mother's Day and Father's Day gifts. They can be purchased at the course or at the Clerk's Office at Village Hall.

All senior citizens receive a \$2 greens fee discount on weekday mornings from Monday to Thursday. For information on clinics, lessons, outings or any other golf course questions, call Sumpwams Creek at **631-669-2340**.

FARMERS MARKET RETURNS JUNE 4

The very popular Village Farmer's Market returns to the northern parking area of the Babylon train station. Each Sunday from 8 a.m. until 1 p.m. from June through November, the market features local businesses offering a wide selection of vegetables, jellies, jams, pickles, sauces, plants and much more.

This is a terrific opportunity to purchase farm fresh produce and other Long Island-made goodies while supporting local agriculture and business.

Just a Reminder...

Trustee Debbie Basile asks that if you notice a Village streetlight not working by your home or business, please call **669-1212** to report it for repair.

Please have the street, cross street and, if possible, the pole number to ensure the correct light is repaired.

AROUND VILLAGE HALL

2017 TAX RATE

Mayor Ralph Scordino reports the Village Board of Trustees will not increase the tax rate for the fiscal year beginning June 1, 2017. *Tax bills will be mailed on or about May 11th. If you do not receive your bill and your mortgage company does not escrow for payment, call The Tax Receiver's office at **631-669-1500**. If you recently purchased property, call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office. Taxes are due June 1, 2017. Check the legal notice in THE BEACON or visit our website in May for a more detailed explanation.*

NEWS FROM THE VILLAGE CLERK'S OFFICE

Landscapers: All landscapers working in Babylon Village must obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.*

It is the responsibility of property owners to make sure any contractors hired are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

BUILDING DEPARTMENT NEWS

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon.
- **Pumping swimming pool water into streets or street drains is prohibited.**
- State code requires that carbon monoxide alarms be installed in all new and existing buildings. More information on this code is available at www.dos.state.ny.us/CODE/COAlarm.htm
- All new and altered driveways require Planning Board approval.

For all questions regarding Village building code issues, please contact the Building Department at **631-669-1300**.

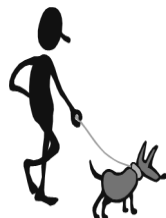

TREE PLANTING PROGRAM

Babylon Village offers residents a Street Tree Planting program. **Trustee Mary Adams** reports the 2016 initiative was very successful, with approximately 60 trees being planted throughout our residential and business districts. Residents are required to complete an application to request trees to be planted at the curb line in front of their homes. Applications are being accepted through September 22 at Village Hall for the 2017 planting. For further information, please call **631-669-1212**.

DOG OWNERS... Please remember there are two enclosed dog runs in the Village: one is behind the south Little League ball field on Locust Avenue and the other is on George Street.

Free doggie bags and disposal receptacles are provided at each location. Dog walkers are asked to help keep our Village clean by picking up after their pets and properly disposing the waste.

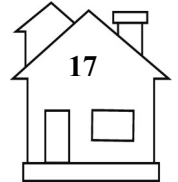

GENERAL SAFETY TIPS

For the betterment of all, please keep the following in mind:

- Circulars left in driveways are a clue for vandals and burglars that a house is empty. If you see these on a neighbors driveway or lawn when they are away, toss them out of sight.
- Please be watchful of strangers in your neighborhood. If you notice anyone suspicious walking around or driving slowly through your area, don't hesitate to call Suffolk County Police.

Please ensure your house number is posted and visible from the street for police, fire and rescue personnel to find in the event of an emergency.

PLEASE REMEMBER!

When parking on the street - *right* wheels to the curb; You are on the *right* side of the street and you are facing the *right* direction.

Also, persons parking on or across sidewalks will be issued a ticket.

SANITATION DEPARTMENT NEWS

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at **631-669-4878**.

Yard Waste (*leaves, plant clippings, - anything that grows*) should be separated from all other rubbish and placed in a clear plastic bag for a separate pick-up on your regular rubbish day. This is mandated from Babylon Town, which runs the landfills we use. There can be no plastic pots, plant tags or other non-green contaminants in yard waste bags or the bags will not be accepted and left at the curb.

Metal Objects When putting out metal objects for pick-up **you must call ahead** to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills and BBQ grills.

Place your rubbish between the sidewalk and the curb not earlier than 6 p.m. the evening before nor later than 7 a.m. the morning of collection day, and remove empty containers from the curb. **There is no garbage collection or recycling of any kind on weekends and holidays.** When rubbish or recycling collection falls on a holiday, please do not put items out for pickup until your regularly scheduled day the following week.

Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind, should be bagged by the resident and placed in your yard until your regular rubbish pick-up day.

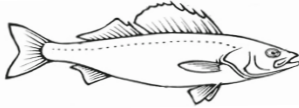

S.T.O.P. SET FOR SEPTEMBER 23rd

The next S.T.O.P. (Stop Throwing Out Pollutants) Day is scheduled for **September 23rd** at the Village Sanitation Department from 9 a.m. until noon. Residents may drop off acceptable household pollutants: latex and oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. The Village will dispose of them according to environmental codes.

SUFFOLK ANGLERS 9th ANNUAL SPRING BASS TOURNAMENT

The Suffolk Marine Anglers Club will host their *9th Annual Spring Bass Tournament* on **Sunday, June 11th** with a 6a.m. shotgun start at the main dock. It's an impressive start and exciting to see about 50-60 boats taking off at once to start the tournament.

Fish weigh-in begins at 2:30p.m. and the last call is 5:00p.m. It's a great day for the fisherman as well as The Hospice Charities Care Network, the recipient of the day's fundraising.

BABYLON TUNA CLUB NEWS

The Babylon Tuna Club committee reports that plans are underway for a "Find the Fluke" Tournament **August 3rd thru 5th, 2018**. There will not be an invitational tournament this year. The committee is looking to increase family participation in the 2018 tournament, with Youth categories, Family prizes, a Dad & Lad contest and more. Be on the lookout in 2018 for the Fluke!

BABYLON BLAST FROM THE PAST...

Babylon Village was once an important destination for early settlers because of its abundance of **salt hay** or *spartina patens*. Found in brackish coastal salt marshes, it grows in thick mats, making perfect bedding for livestock. Today, salt hay is used as garden mulch and is very effective in preventing garden pathways from becoming overly muddy.

A new book offering an historical perspective of Babylon Village has been compiled by the Society and is available for \$22 at the Historical Museum on Main Street, as well as at the Village Clerk's office and Old Town Hall. It's a fascinating pictorial of the Village and portions of the book's proceeds goes to benefit the Historical and Preservation Society's many wonderful exhibits.
